Dear Friend:

About the week we discussed arranging some games August 25, 26, 27, 28, and the 29th, I have just heard from the man in Atlantic City. We can have the 29th there. As you know they have new lights up. Now the terms we went there under, The American Legion promotes the game, they get 1/3 of the gross and pay all bills out of their money. I think the City gives them the Park and the lights. Each team receives 1/3 of the gross. Now The Eagles and Elks are scheduled to play there Tuesday, the 26th for The Elks. The Elks have not secured the Park yet, and Friday should be a better night anyway. We could give the Elks 10% of our share and combine the two groups. American Legion and Elks both sponsor it. This should be a good date, as it is the last week-end in August and that is always the best time in Atlantic City, and it is the week of the Elks Convention. We could play in Baltimore Thursday, the 28th and find spots for the 25th, 26th and 27th.

I want to find out about Friday, the 29th because if you can't go with me, I want to get another team. Please let me hear from you right away.

Very truly yours,
